

# SAN FRANCISCO CITY GUIDES

Come explore streets, sidewalks, parks, and vistas that tell the story of a Victorian era resort site subsequently developed by comfortable merchants, whose gingerbread homes still grace its streets. Re-visit what came to be known as the "Summer of Love". Recall the memories of Janis Joplin, The Grateful Dead, Jefferson Airplane and others that made this the mecca of the 1960's counter culture.

**DATE:** Sunday, August 6, 2017

**TIME:** 2:00 PM
