JOIN 34 BAC cyclists for a week-long bike & barge tour in Holland and Belgium: the land of bicycles! The terrain is **completely flat, and the bike paths, almost all of which are paved**, are always well marked. Some stages include a choice between a short and a longer ride, and if one day you don't feel like cycling, you have the option of staying on board the boat. The only variable to keep an eye on is the weather: a little wind or rain could make your ride more adventurous.
